The Company will furnish and maintain its service components in a manner suitable for CUSTOM NETWORK SERVICES. The Company will make available information as required by Part 68 of the FCC's Rules and Regulations (e.g., the number of ringers that may be connected to a particular line). In addition, the Company will be responsible for the compatibility of its equipment or services with CUSTOM NETWORK SERVICES when such equipment or services are connected to CUSTOM NETWORK SERVICES at a central office.

##### B. Changes in Components, Operations, or Procedures

The Company is not responsible to any party if a change in its CUSTOM NETWORK SERVICES components, operations, or procedures, which is consistent with the Registration Program: (1) affects any facilities, Customer equipment or Customer-provided communications systems provided by others in any way, or (2) requires the Customer-provided equipment to be modified in order to be used with CUSTOM NETWORK SERVICES.
